

Workshop

# Making and Literacy K-2

**Length:** 1 - 2 Hours

**Subjects:** ELA, Engineering, Social Studies

## Topics

- ELA: Compare and contrast characters
- Engineering: Inspiration for Making, Designing 3D Objects that Stand
- Social Studies: Heroic Characters

## Outline

1. **Introduction to Making and Literacy** - Why we use text as a topic for making.
2. **Read Not a Stick** - In the story, Piggy imagines all the different things a stick can be.
3. **Brainstorm** - Chart all the non-stick objects. Then, chart new non-stick objects to create.
4. **Make** - Design and build 3D Piggy characters that can hold sticks that are not sticks, but something imaginative.
5. **Share out** - Explain the inspiration for your character and non-stick.
6. **Connect** - Make connections to other content areas where the same story can be used in new and different ways.
